

Committee invites you to ●●●  
KEEP OUR HISTORY ALIVE

Good things are happening! After lots of work by lots of people,  
The Revised Rinehart Family History Book is really going to press! This just may be the MOST informative, entertaining and  
inspiring book you've ever read ... and personal too! It includes:

- A listing of nine generations - over 7,600 Rineharts - from the 13 family branches of Lewis & Elizabeth's ancestors.
- Specific information about many of the Rineharts.
- Wonderful pictures and super stories from the Rinehart Family members.

You're invited:

- (1) To purchase a copy of this beautiful hardbound book for your home so you can enjoy that Rinehart flavor all year long. It's your heritage! Use the form below to reserve your copy. This is a limited production printing, so don't forget to get one for your children and grandchildren.
- (2) To become a Contributing Sponsor of this worthy project and other projects to come. Experience the Rinehart Heartbeat - the joy of giving. Giving, encouraging, supporting ... it's really in our blood ... inherited from civic leaders, legislators, judges, mayors, doctors, fathers and mothers of our history.

The cost for creating printing and binding will exceed \$22,500 and must be paid for when the work is done. Some have suggested giving family members the opportunity to make donations. **In** good faith, the Committee has chosen to keep the cost of each of these priceless books to only \$58.00, which makes it available to more people. Perhaps you can give \$1,000 or \$100 or maybe just \$10. Names of sponsors contributing by March 20, 2017 will be listed in the book!

- (3) To make suggestions for the next publication. We're thinking of a history of the unique annual reunions of our family and plan to have group pictures available at the reunion this year so you can help us identify who's who! *Send updates and suggestions* **Gloria Brain, 19003 68th St E., Bonney Lake WA, 98931.**
- (3) To come to the reunion in the Post Falls ID area this year and pick up your prepaid copies of the Revised Rinehart Family History Book!
